TOBACCO JOURNAL INTERNATIONAL

Tobacco Journal International (TJI)
is the leading international tobacco magazine for executives in the world of tobacco and its supplying industry. Working with a large network of correspondents worldwide, TJI provides high-quality, unbiased editorial on trends and developments in the global tobacco industry.

TJI is the only tobacco magazine that covers every sector of the industry in every issue from leaf growing to the marketing of the finished products. Whether packaging and design innovations, new developments in tobacco machinery or comprehensive data of all world markets – you will find it in TJI.

TJI ONLINE
www.tobaccojournal.com is a valuable, interactive business tool for industry members seeking latest news from the tobacco world, business links and more, including a substantial archive with thousands of articles. Contact us to learn more about the high-impact fullbanner and button advertising opportunities.

TJI NEWSLETTER
TJI Newsletter gives readers a weekly update on all relevant developments in the industry. Place a textbanner or button to reach top executives week by week.

Inter Supply Catalogue
Each year, TJI publishes the Inter Supply Cataloge for the fair in Dortmund. Besides Hall plans, our Catalogue contain information about key products and exhibitors, as well as intersting event trips. This issue will be distributed at the trade fairs to all visitors.

Providing advertisement data:
It is easy to provide your data via our advertising service portal www.konradin-ad.de
1. PDF advertisements (PDF automatically checked)
2. open data (via Upload Mask, please deliver packed data)
If you have any questions please call our hotline. +49 711 7594-718 (8.00 am-5.30 pm)

Data formats:
We recommend the delivery of artwork in PDF/X-3 standard. Otherwise please supply unseparated files in EPS or TIFF format. Open data (e.g. InDesign, Quark XPress etc) should be avoided.The file must be ready for printing, i.e. all the fonts that are used must be embedded. The resolution of continuous tone images must be at least 300 dpi and line art 600 dpi.

Colour space:
CMYK process colours in accordance with ISO 2846-1. Spot colours possible by prior arrangement. Please refer to the standard ECI offset profiles (order the free "ECI_Offset_2009" package from www.eci.org) when converting and checking the colour space (ICC Color Management). Use the "sRGB oder Adobe RGB" (RGB colour space) and "ISOcoated_v2" (CMYK colour space) profiles.

Proof:
Contact proof in accordance with the "Media Standard Print" (bvdm) Digitally produced proofs must contain the FOGRA media wedge (available to order from www.fogra.org) to allow the colour to be checked.a Proofs must display an officially recognised print control strip.

Data archiving:
All data are archived. Therefore repeats with no changes are usually possible. However, no guarantee is offered with respect to the data.

Guarantee/Additional costs:
In the case of delivery of incomplete or incorrect data (text, colours, illustrations), we accept no liability for the printed result. Faulty output due to incomplete or faulty files, incorrect settings or incomplete instructions will be charged for, as will additional setting or repro and the production of missing proofs.

Requirements:
Prior to the digital delivery of an advertisement the advertising department must receive an appropriate official Advertisement Order. The general advertising copy deadlines apply. In order to check advertisements received, a full size printout or – for colour advertisements – a contact proof or press proof are required.

Inter Supply Dortmund

Each year, TJI publishes the Inter Supply Dortmund Catalogue. Besides Hall plans, our catalogue contains information about key products and exhibitors, as well as interesting event trips.

The issue will be distributed at the trade fair to visitors.

Size of publication:
